

Directions to DisabilityCroydon

By car: Strand House is a two-storey Croydon Council office block in Zion Road, Thornton Heath. Zion Road can be reached from a turning off Whitehorse Road (via Zion Place) opposite White Horse Manor Primary School, or from Thornton Heath High Street (via Nursery Road). There are pay and display parking spaces directly outside Strand House and in neighbouring side streets – 60p for two hours if you park in Pridham Road or the railway end of Nursery Road at the back of Strand House – it is more expensive in Zion Road. If you have an urgent need to park immediately outside Strand House due to your disability please let us know and we will try to organise parking close to our office.

By bus: The accessible 468, 50 and 198 buses stop in Whitehorse Road close to the Zion Road turn off.

By train: The nearest train station is Thornton Heath and is a 5-10 minute walk from Strand House along Thornton Heath High Street, turning off into Nursery Road, then Zion Road.

On arrival: Please go to the Strand House main reception and ask for DisabilityCroydon. One of our staff will come to meet you and show you to either our offices on the second floor (via a lift or stairs) or a meeting room on the ground floor. There is level access from the street to the reception and into our office through double-opening automatic doors.

Room 2.07, Strand House, Zion Road, Thornton Heath CR7 8RG
